Rosalia and I were on a very much needed vacation and just got back yesterday. Thank you very much Charlie for running the monthly Chapter WA-A meeting.

Just before we left I sent out two emails. Once asking for if you would be interested in camping in July 2016 and if yes, to rank each of the weekends from best to least best. I got some emails for this and I will be sending out an email in the next couple days telling everyone what the votes were.

In the normal weekly email I asked for people to write stories that we could put in newsletters and so far nobody has responded to that.

I also noted that Don Hatley said that he can't do the yearly maintenance days anymore and asked if anyone was willing to host

this event and so far I haven't gotten any responses for that either. If you or someone you know might be interested in hosting this event please let me know. I would host it but my garage is small and my driveway is at a 45 degree angle and would be much better suited for ski jumping competitions. This event has been well attended in the past so I believe that this is still something that the chapter would love to have. So I would appreciate it if someone could step forward or talk to someone they know whom they think would have a great place and whom might be willing to host this event.

De Blangy is stepping down from the position formerly known as Sunshine Lady but now known as Good Will Ambassador. Mike and De will continue to be involved with Chapter WA-A when they can but the position is now open. Anyone that is interested that is interested in sending out birthday and anniversary cards with a personal touch would be much appreciated in stepping up for this position.

We have multiple positions available within the Chapter. If you are interested in ANY of the open positions above please contact me. What's the saying. "The more the merrier".

Stories/Articles For The Newsletter

What has been missing from the newsletters? Stories! And that is my fault. Chapter WA-A has been around for ... well around 35 years so there are lots of great stories that happened with our chapter. So ...

Do you have something that you would like to put in next week's newsletter? It doesn't have to be brilliant. It can be anything from the future, the present, or the past.

Have something you are going to be doing this summer that the rest of the members might find interesting?

Maybe you're going for a ride or trip this weekend?

How about a ride or a trip from the past the you found fun. It would be especially good if it was about something that multiple people from the chapter did together.

I hope to be writing up things of my own that I remember from the past too. If we all share a little then we all can have more fun together.

I'm not a professional writer. Heck, I'm not a professional Chapter Director (I don't get paid for this - wink). But I'm doing the best that I can (which could be better) and that's all I'm asking for any of you that might wish/want to tell us about something that you've done. I would be more than grateful if you would send it to me so I could include it a future newsletter.

Maintenance Day

Don Hatley is not hosting Maintenance Day this year so if we are to have one we need someone to volunteer that has the space and the patience to host it.

Unfortunately I have what is legally a one car garage with a driveway that would be great for the Olympic ski jumping.

If you or someone you know might be a good fit. Please either email me or call me and let me know.

Thank you very much.
