

GOLDWING ROAD RIDERS ASSOCIATION WASHINGTON CHAPTER A SEATTLE

Weekly News Letter

April 11th, 2016

www.gwrra-waa.org & GWRRAWA.A

I want to give a HUGE thank you to Garry Alexander and WA District for stepping up and taking over Chapter WA-A until a new Chapter Director can be found to take my place.

Clarification: I'm actually still the Chapter Director through April 2016's meeting. Once the meeting is over Garry Alexander is taking over.

Also - I'm very sorry that for some reason I've have Gary Beard's name as Greg Beard. I don't know how that happened that I'm very embarrassed and VERY sorry Gary. Note: Gary Beard, not to be confused with Garry (with 2 "r"s) Alexander, Gary Beard runs our Chapter Stores and does a GREAT job of it.

Also - this is --totally-- due to memory issues due to medications that I'm taking but I am struggling with a couple of passwords and didn't get the website updated. Charlie Butters graciously updated the website for me and will be keeping it updated from now on until someone else is found to do that. So I want to also thank you Charlie for doing this for me!

As for this great weekend's weather. I hope that those of you that are able to ride any kind of motorcycle I hope you were able to get out riding this weekend with that spectacular weather. I'm jealous in a very good way. :)

Monthly Meetings

Since the Kent "Old Country Buffet" closed I called around and we are now located in the "big room" at the Federal Way "Old Country Buffet. They've got it reserved under both "Bill" and "GoldWing". Note that we get the group discount and that the tip will be included in your bill.

Our meetings will still be on the 4th Saturday at every month. 8:00 am for breakfast and the meeting will start at 9:00 am.

Let me know if you have any questions.

I noted that Don Hatley said that he can't do the yearly maintenance days anymore and asked if anyone was willing to host this event and so far I haven't gotten any responses for that either. If you or someone you know might be interested in hosting this event please let me know. I would host it but my garage is small and my driveway is at a 45 degree angle and would be much better suited for ski jumping competitions. This event has been well attended in the past so I believe that this is still something that the chapter would love to have. So I would appreciate it if someone could step forward or talk to someone they know whom they think would have a great place and whom might be willing to host this event.

This might be a moot point but De Blangy was wanting to step down as ~~Sunshine Lady~~ Good Will Ambassador because they moved up north and Mike isn't able to ride anymore. However, she might continue to send out cards and letters to people that are sick. It just depends.
